

Tootsie Roll Program

Cost of Rolls: \$19.50 for case of 300.

Orders need to be placed by March 15th, so delivery can be made to the councils at the convention, unless other pick-up arrangements are made.

Send no money with the orders; State Council will deduct what is owed from proceeds. So, it is beneficial that you order by the cutoff date, so your council is not charged for shipping.

Minimum order for no freight charges: 33 cases

Forms for ordering Tootsie Rolls are available on the State Web page.

Aprons:

Aprons are \$7.25 each, plus \$9.00 handling charge for total order. Allow 3-4 weeks delivery.

Send no money. Monies will be paid by State Council and will be deducted from you proceeds. Aprons are mailed directly to the Tootsie Roll Chairman.

Standard messages: Help Mentally Handicapped Citizens”, Help Handicapped Citizens, or Help People with Intellectual Disabilities.

Reporting Forms:

Reports of Council Tootsie Roll Drives need to be in by January 15, 2013. Make sure you list names of beneficiaries of proceeds.

Allocation Formula:

-) Gross Sales minus gross expenses equal net sales.
-) 30% of net sales goes to the Sate Council.
-) 70% of the sales is available for council’s designation.
-) The State Council will issue as many checks as there are beneficiaries by the council

At the State Convention each year, the State Council votes for allocations of the State Council’s portion, which comes from the 30% kept from the councils.
