Subject: E-Board Comments

- Changes to the founders award requirements. No more FBEs, instead 10% of associate members on the council roster as of July 1st, must meet for 1 on 1 financial reviews with their field agent. Agents will notify GK's of member name and meeting date, as it is the responsibility of the GK to submit the paperwork for credit.
- Change to exemplification, adding in Field Agent spot to address new members and spectators. Councils should be communicating schedules to field agents, understanding that agents cannot make any of them, if they are unaware of them.
- Need for more field agents throughout agency, specifically in southern and southeastern NH. Reminder of Supreme council incentive, if council refers a man to the GA and contracts as a field agent, once 6 months has passed, the councils Supreme per capita is waived.
- Supreme Knight spoke recently to GA's reiterating the importance of Insurance and Fraternal being the 2 lungs of the order and working together for the good of the Order and our Members
- Continue to push councils to coordinate membership drives with their field agents- multiple successes last fraternal year
