Vocations Report July 2026

A List of all Seminarians and Postilants have been sent to each council and assembly to get back in touch with me as soon as possible on who they wish to support this 2026-2027 Fiscal Year.

This email was sent out on June 23, 2026 to the 2025-2026 email list. To date I have received 4 councils and 2 assemblies with their choices. The following is the communications that were sent out.

This coming year will be a very exciting year for our support of the seminarians and also postulates that we have been supporting throughout our history as Knights of Columbus here in New Hampshire. Since 2009 we have shown what it means to us as Knights giving our thanks to those seeking a life of religious following of our Lord and showing us the path of Vocations. Last year we were able to collect \$12,400.00 in donations and distribute your gifts to each and every seminarian and postulate.

This coming year, we will have not just the Dioceses of Manchester but will be including those seminarians from Saint Anselm Seminary.

I have cleared this with Supreme that these men are also eligible for the RSVP Program from Supreme in which for every \$500.00 donated to a seminarian or postulate, your council will receive back \$100.00. Remember there is a maximum of \$2,000.00 that you can support each seminarian and postulate.

I wish to remind everyone that the RSVP program has nothing to do with our own Christmas Seminarian Vocation Support at Christmas time.

To get everything lined up for this coming year, we are asking for your donation checks to be made out to the "NH State Council K of C" with Seminarian Christmas Program in the memo line and send the checks directly to me for processing.

I have also attached a link for you to choose those seminarians you wish to support before I need to assign others to councils who do not reply.

If you have any comments or concerns please email me as soon as possible.
Please use this link now to complete this phase of your support.
