Program Description Documentation

Council 807, on Friday, October 3rd, presented the Woodman Park School with 2 boxes of 12 coats each for boys and girls. In addition, approximately 25 more coats were donated (dry cleaned) at the same time, as well as a number of knitted caps and mittens for the children of Woodman Park. There are 3 public elementary schools in Dover, and the Woodman Park School services the section of the city which has the greatest need. The Knights of Council 807 are proud to continue this long-standing tradition of committing our resources to keep kids most in need with warmth and a sense of self-esteem with this donation. Patrick Boodey, the principal of Woodman Park School, was there to receive us and let us know that our donation came just in time as the weather has begun to turn colder and many of his students during recess let him know they were cold. The coats will be distributed to those in need immediately, on Friday October 3rd.
