Program Description Documentation

Our Program is a Thank you to honor all our Altar Servers. The knights want to encourage young men and women who serve the Mass. By serving at Mass, this fosters an increase in faith, love and devotion to the Holy Eucharist. It also serves to encourage young men and women to a life of devotion to serve our God. It encourages discernment to the priesthood and women to become sisters or Brides to Christ. Each year, we invite all Altar servers and at least one parent to attend a Fisher Cats Baseball Game. We also provide them with a paid Ticket to the game and a free food voucher. We also invited our Pastor. Our new pastor is from India, where cricket is popular, and he was familiar with the game. This was his first time in America attending a Baseball game. While at the game, he questioned why our servers brought baseball gloves, as they were not playing. We explained that it was for catching fly balls and balls thrown into the spectators. It was comical to watch him try to put on a glove and hold a baseball. For many of the servers, this was a first-time opportunity to experience a baseball game. Being men of faith as Knights and spending time with our Pastor in a social setting for the 1st time brought a deeper message of faith and understanding. It also helped our parish to grow in communion with one another. As Saint Matthew writes 25: 40-45

"Truly I tell you, whatever you did for one of the least of my brothers and sisters of mine, you did it to me."
