Program Description Documentation

This year our council will be holding monthly breakfasts after Mass in order to enhance our ability to make known the good work of the council and provide opportunities to grow our membership, as well as create a sense of community. We had 8 members and their spouses prepare muffins, breads, coffee and juice at the first one in September. A total of 16 guests showed up and were very appreciative of our efforts as they expressed this directly to the Grand Knight when leaving after the hour was over. Our goal is to identify at least one new member by holding these events throughout the year.
