Program Description Documentation

This late winter we started reaching out to local establishments, restaurants, stores, golf courses and others to see if they would help our raffle by donating items to be included in the basket we would be raffling off. We collected just over \$4,000 of donated items and have split them into 4 baskets each worth over \$1,000. We have started selling raffle tickets at \$10 a ticket or 3 for \$25, we will be selling them up until our April meeting, where we will draw the four winners. All money raised from the tickets sales will be donated to Special Olympics of NH, our hope is to raise \$2,500.
